Local Fund Budget.—Proceedings Revenue Department sanctioning, with remarks, the revised Local Fund Budget of the Madura District for 1868-69, communicated to the Officer concerned.

Proceedings of the Madras Government, Revenue Department, *12th May* 1869.

No. 280. Read the following Proceedings of the Board of Revenue, dated 22nd April 1869 :—

Read Government Order, dated 3rd March 1869, No. 553.

In remarking that Madura was not the only district in which the Road Fund had been involved in debt, the Board alluded to North Arcot and Bellary. The state of the case with regard to the former has been described in Board's Proceedings, dated 4th March 1869, No. 1,438. In Bellary the Board now find that the expenditure of the year will not exceed the income.

2. A statement is appended which shows the receipts, charges, and balances of the Road Fund in each district up to January, the latest date for which a complete file of reports has been received. It must be observed, however, that the expenditure shown therein does not include all amounts expended by the Public Works Department; because the accounts for some of them had not been received by the Collector. A delay of two or three months, generally, takes place before these accounts are passed by the Controller, and communicated by him to the Accountant-General, and by the Accountant-General to Collectors. In their Proceedings, dated 20th July 1868, No. 5,258, the Board endeavoured to remedy this evil. The statement shows a balance of Rupees 20,780 against Kistna. This results from the effect that the year began with a deficit of Rupees 4,475 instead of a balance of Rupees 52,800, as was anticipated. The estimated income of the year is Rupees 1,58,100, and the Collector was warned, in paragraph 5 of the Board's Proceedings, dated 3rd December 1868, No. 8,531, not to exceed it.

3. The Collector will submit, without delay, the information called for in paragraph 3 of the G. O., but in the meantime the Board hope that Government will accord their formal sanction to the revised Budget, as the year has closed.

4. The explanation and report alluded to in paragraph 6 have not yet been received.

Proceedings of the Madras Government, Revenue Department, 12*th May* 1869.

No. 281. ORDER THEREON, 12th May 1869, No. 1,320.

Local Funds, No. 7.
Accounts.

THE Board of Revenue submit a statement showing the position of the District Road Fund in each district, as called for in the Order of Government, dated 3rd March 1869, No. 553, and request that the revised Budget of the Madura District for 1868-69 may be sanctioned, pending the submission of the explanation required regarding the items constituting the excess expenditure in that district in 1867-68.

2. The Board state that the statement of receipts and expenditure up to January 1869 furnished by them, is not complete, inasmuch as it does not include all sums expended by the Public Works Department. They will be requested to submit, as early as possible, an accurate statement in the same form, embracing all the transactions of the official year which has just expired.

3. The revised Budget for 1868-69, submitted with the Board's Proceedings, dated 17th February 1869, amounting to Rupees 1,83,800, is sanctioned.
